## THIS IS DEDICATED TO . . . STEVIE WONDER

Sunshine of Our Life

If We Had the Words  
We'd Put Them to Use  
We'd Create a Masterpiece  
in Your Favor  
Just to Show Our Appreciation  
and Admiration  
for the Many Things That  
You Do for Us  
But Since the Words Are Beyond Us  
We'll Conclude With This:  
You Are One Hell of a Man  
and May It Always Be  
in Your Heart to Be That  
Wonderful Person That You Are.

### GREETINGS

To the Class of 1975

I am happy to express my sincere appreciation for having shared a common purpose with you these past four years. We came as freshmen together; I as a new president, you as a new student. Through our mutual participation in Shaw's Universe we have all learned a great deal.

I feel so close to you that I plan to stay in touch and observe your progress toward the fulfillment of your life's goals.

Best wishes to you!

Sincerely yours,

## 'Bears' Put on Gridiron "Surprise"

The Mighty Bears of Shaw University put on a big surprise for all football fans. Losing the first three contests of the season, the student body put the team down for a repeat of the previous 1 and 9 season. Then the table changed; the Bears put together three straight wins over Federal City, Elizabeth City, and Fort Bragg. With four games left, the Bears were looking for a .500 season, and they knew it was going to be hard. Losing to J.C. Smith and nationally ranked Norfolk St. and Livingstone College, the Bears put on a great fight. The only team to score more than 10 points on Norfolk St., the Bears knew they were having a good year. At the game of the year, played before over 12,000 fans, the Bears came out victorious 16-12 over Winston Salem St. University, and what a victory it was because it was Homecoming!

With only four seniors graduating from this years team, the Bears are looking forward to bringing the CIAA trophy home to Shaw University next year.

At the line of scrimmage against ECSU, the mighty Bears are ready for the big play. Shaw U. won this game 12-0. This was the third win in a row during the 1974 season, which at mid-season gave them a second-place spot in the Southern Division of the CIAA.

Against North Carolina Central University, Tommy Johnson controls the ball. This was the first game of the season for a predominately freshman team. The final score was 81-80 in favor of NCCU, but it showed the mighty Bears were not to be taken lightly.

## SHAW PERSONALITIES

## **THE 1975 BEAR STAFF IS PROUD TO INTRODUCE THE SHAW PERSONALITIES . . .**

People who project the true spirit of the Bear. They of all people have that very present spirit.

The Shaw Personalities are those dedicated persons who have spent hours, if not years, serving each of us here at Shaw. They are the type of people who have helped Shaw University become the dynamic University it is today, by each doing his own individual thing.

The S.P.'s are those chosen few who have stood up and made Shaw aware of their presence.

The Bear Staff applauds them and in our hearts, we sing a special song for them. They have the right to forever remain proud because each one is a

The Staff Would Like to Thank All Who Helped Us  
During the Making of the 1975 Bear.

Shaw University — A UNITED NEGRO COLLEGE FUND MEMBER

This year, the Shaw University Yearbook was a success. It demonstrated the effectiveness of students, from different areas of study, working together.

I would like to thank the entire staff for their efforts in making the "75 BEAR" a reality. It took great dedication and, at times, sheer sacrifice.

"Thanks" also to our advisors, Mrs. Doris Anderson and Miss Geraldine Turner, for their cooperation and patience in working with us.

In closing, it is appropriate to say it has been very inspirational to know that Black students have worked and still can work together to make a dream a success. RIGHT ON, SHAW U!!!!
